Prior to joining GLI, Jimmy simultaneously led two west Michigan based mid-market businesses on behalf of a family office style, private equity investment firm. Over his career, Jimmy has served as the president of a research and development engineering firm focused on working with the US Department of Defense, a production machining and manufacturing operation, and an agriculture industry manufacturing and distribution business.

Jimmy holds a Master's degree in Jurisprudence, with a focus on business law, from Loyola University in Chicago and a Master's degree in Business Administration from Grand Valley State University's Seidman School of Business in Grand Rapids. In his spare time (if he has any), Jimmy enjoys spending time with his family, coaching soccer, working on cars, golfing, and spending time on Michigan's beautiful lakes.
