

**Scott Deal** | Senior Analyst, Adamy Valuation

Scott joined Adamy Valuation in 2021. He graduated from Michigan State University with his B.A. in Finance in April of 2021. As a Senior Analyst, his primary responsibilities include providing clients with valuation and financial advisory services in connection with employee stock ownership plans, mergers and acquisitions, management succession planning, corporate strategic planning, and other financial transactions.

Besides being an analyst, Scott enjoys fitness, being outdoors, and spending time and trying new things with his friends. After work he likes to go for long runs or go out on the golf course to relax after a long day. He is also quite the foodie and is taking full advantage of all the restaurants and breweries that the west side of the state has to offer. In his time off, Scott enjoys traveling to wherever he can to get to explore new areas and city, as well as go to Michigan State football and basketball games and cheer for his beloved Spartans.
