

As a senior audit associate, Jeff Weir brings 3 years of experience in auditing and accounting to the table. He has a proven track record of delivering high-quality audit services to clients across various industries, in both the public and private sectors.

Jeff is a detail-oriented professional who is committed to ensuring the accuracy and completeness of financial statements. He has a deep understanding of auditing standards and regulations, and he is skilled in identifying and addressing potential risks and issues.

In his current role, Jeff is responsible for leading audit engagements, managing teams, and providing guidance and support to junior staff. He is also involved in developing audit plans, conducting risk assessments, and communicating findings to clients and stakeholders.

Jeff holds a bachelor's in professional accountancy from Aquinas College. He is also committed to ongoing professional development and stays up-to-date with the latest industry trends and best practices. Jeff is passionate about business and community integration and has been active in ACG since beginning his career at BDO. In his free time Jeff enjoys spending time with his two boys outside and doing projects around the house.
